The last day for protective service requirements (heated and refrigerated) is Tuesday, December 20, 2022. Please do not ship freight requiring temperature-controlled service that will be delivered only after the holiday period as to avoid unnecessary storage charges. Note that **charges will apply for unnecessary travels** during days when our operations will be functional. Also, storage fees may be charged if goods need to be kept in one of our warehouses, awaiting delivery.

For specific service requirements during the holiday period, please contact your Guilbault representative or our operations, as prior arrangements have to be agreed upon.

We take this opportunity to offer you and your families our best wishes this holiday season!
