Please take note that if no special instructions are indicated on the bill of lading, **additional fees will be charged** to paying customers for the detention of goods and/or for second delivery if the consignee is closed at first attempt of delivery. The shipper is responsible for ensuring that the consignee is open on operating days during these holidays.

Also, please be advised that the last day for protective service requirements (heated and refrigerated) will be **Thursday, December 21, 2023**. Please do not ship freight requiring temperature-controlled service that will be delivered only after the holiday period as to avoid unnecessary storage charges.

Your usual collaboration is greatly appreciated.
